AN INVITATION

One of America's most popular indoor games, Bingo, has been played in Gilsum for three years now. The free, adult game is played every three months at the Gilsum Congregational Church. Please try it sometime if you please. The food, the jokes, and of course, the conversation amongst neighbors and friends is precious. The prizes are great and changed every game. Please come.

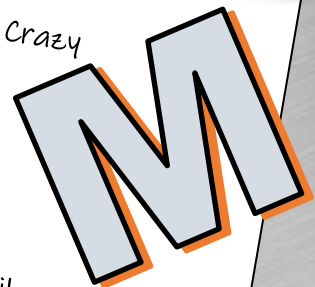

NOTE OF THANKS

Thank you to everyone who supported the Before and Afterschool Program by donating metal to our Scrap It fundraiser. With your help we were able to fill 3 roll-off dumpsters!

The Gilsum Crazy
Quilters now meet on
Mondays, 1:00pm-3:30pm.
All are welcome to stop in
& check it out. Maybe you'd like to join in?
