NEWS FROM THE GILSUM HISTORICAL SOCIETY

The Gilsum Historical Society is an active group of residents who are interested in preserving the rich history of Gilsum. The society owns three properties, The Old Town Hall and Fire House on Main St, The Blacksmith Shop on Church St (open summer hours or shown by appointment), and the Isham lot, accessible by a nice hike on a Sunday afternoon... All three locations are loaded with historical artifacts offering an impressive perspective of Gilsum History and its families.

Look for "gilsum historical society" on Facebook for old photos and messages.
