

# The Sustainability Project

Recently, The Sustainability Project held its 15th Annual Seed Celebration and Sustainable Community Fair. The event brought together members of the community to learn about seed saving, preserving the harvest, solar, and creating nature inspired community. Participants enjoyed music by the Solar Sisters, filling soups and breads from local chefs and dancing with Firebird Morris. We would like to thank our sponsors, - the Hannah Grimes Center for Entrepreneurship, Green Energy Options, Savings Bank of Walpole, Tracie's Community Farm, the Monadnock Food Co-op, W.S. Badger, and Gem Graphics - the local businesses and artists who contributed to our event, and the many volunteers who made the day possible.

**JUST AN HOUR OR TWO OF YOUR TIME  
CAN MAKE A BIG DIFFERENCE IN A  
PERSON'S LIFE**

When you volunteer to be a driver for CVTC --- taking neighbors to non-emergency medical or social service appointments, the grocery store, banking or pharmacy --- you increase the health of the entire region, one person at a time.

Volunteer drivers donate their time, at their availability, and can choose to be compensated for their mileage. Community Volunteer Transportation Company is a nonprofit providing no-fee rides for individuals without access to transportation due to age, ability, income, and/or life circumstance.

To Give a Ride or Get a Ride, call 1-877-428-2882, ext. 5, for more information.
