Extending a sincere **THANK YOU!**

The Gilsun Ladies Aid would like to thank everyone who shopped, ate, bought tickets, volunteered, donated and passed the word about our annual Ladies Aid Fair held before the holidays. Proceeds from the past have helped us fund important building and property projects. These have significantly improved the function and safety of holding church and the many community events here. Things from water filtration system, paving, windows and major electrical updates to Community Kitchen donations, memorial receptions and helping those in crisis... we thank you for helping us make these things possible.
