High Speed Internet Proposal to be Voted on at Town Meeting March 10th

A proposal to bring high-speed fiber Internet (broadband) to every home and business in Gilsum is now a warrant article to be considered at Town Meeting. This proposal will NOT affect property taxes. It WILL give everyone in Gilsum access to up to one (1) Gbps fiber optic broadband Internet service starting at $46 per month ($36/month if you buy your own WiFi router) inclusive for the first year. There is no charge to residents to be connected under this proposal. Residents do not have to participate. You do not have to sign up for this service.

Under this plan the Town of Gilsum will issue a bond to cover part of the project as specified by NH Senate Bill 170 and RSA 33.3g. Consolidated Communications (CCI), the chosen vendor, will pay the full cost of the bond in monthly installments. (See warrant article in this issue for details.)

A survey mailed to all residences and available online in the fall showed strong interest in reliable, high speed fiber Internet in Gilsum. 81% of survey respondents (99 of 122) indicated they ‘definitely would’ or ‘probably would’ subscribe to fiber Internet if it was available and competitively priced. Only two responded they definitely would not subscribe. (Continued on next page)
Eleven other area towns are moving forward with similar warrant articles, and will present them at Town Meeting.
- Five other area towns are currently considering proposals for possible vote at Town Meeting.
- Seven area towns have already approved plans and moved forward with construction or have completed construction.

To Vote: Voters who want this warrant to pass must vote in favor of it at Town Meeting on March 10. It will only be approved if 3/5 of voters present vote in favor. To vote on this bond issue residents must sign in with the Supervisor's of the Checklist at Town Meeting with a valid ID. You do not have to stay for the whole Town Meeting; You may come in to vote on this warrant article only.

Learn more here: The proposal was researched and developed by the Gilsum Broadband Advisory Committee and approved by the Selectboard, which appointed the committee to study options last year. If you currently have telephone poles or conduit that connect power or telephone service to your home you are eligible to sign up for high-speed fiber broadband. There is a great deal of information available for review at https://gilsum.org/gilsum-broadband/ and on the Gilsum Broadband Facebook page. For more information contact committee chair Rob Mitchell at gilsumrocks@gmail.com. -- From the Gilsum Broadband Advisory Committee

Notes From Supervisors of the Checklist

Need to change your voter registration?

Come to the Gilsum town library Saturday, February 27 from 12 (noon) to 12:30 if you wish to make any changes or if you wish to register to vote prior to March elections. Remember, you can register at the polls. Bring your valid ID to vote at town meeting! One change to town meeting that people are not used to is this: To vote, residents will be required to show ID and check in the same way that they do at normal elections. This is because Gilsum will be voting on a bond larger than $100,000. Non-registered voters or non-residents may come and observe, but they cannot vote or participate in the discussion.

New at the Library:

In January we started a year-long ‘Soup Bowl’ Reading Challenge. The goal is to read a book with a title that starts with each letter of the alphabet. (Card catalog rules apply – you can drop the leading ‘the’ or ‘a/an’.) This challenge is open to children and adults – or complete it as a family. Turn your completed list in to the library by the week of December 13th for a chance to win a soupy prize!

As a member of the Nubanusit Library Cooperative we have an opportunity to participate in a DVD exchange program. Every couple of months we will receive a different collection of 20 DVDs. These can be checked out for 1 week at a time. We have begun a digital inventory of library materials so patrons can view our collections online. Visit: www.librarything.com/catalog/GilsumLibrary to view the collection. Since we have more than 10,000 items this will take some time to complete! Please call or email the library if you are looking for a particular item, if we don’t have it available, we can also try get it for you through inter-library loan.

Looking Ahead:

While the Library will not be holding the traditional Easter egg hunt this year, we will have ‘Take and Make’ kits with treats available for pick up the week before. Will your bag be hiding the golden ticket? Also, pick up a plastic egg to decorate and bring it back to be displayed; you might win a prize if your egg is the most creative!

Gilsum Congregational Church News

“What has been will be again, what has been done will be done again; there is nothing new under the sun.” - God in Ecclesiastes 1:9

Pandemics, political unrest, economic uncertainties... none of these things are new under the sun. That is the bad news. BUT NOW THE GOOD NEWS!

God’s care for His people, God’s ability to get us through tough times and to bless us in the process... none of these things are new under the sun.” God continues to function as God and to help us through the ups and downs of life. Ask anyone who attends the Gilsum Church; they have experienced it. And you can too! Need an example of God’s care and direction? Because of the pandemic, the only safe option for the community candlelight Christmas Eve service was to hold the service outdoors. What did God provide? Battery operated candles for all, 46 degree weather and no wind or rain!!! It was wonderful. Praise God for always caring for His worshiping people!

Join us for life changing worship Sunday mornings at 10:00 am. Social distancing guidelines are in effect to keep you safe. Our food pantry is open Saturdays from 10:00 – 12:00 noon. Thanks to all who have supported the Food Bank and the ministry of the Church. Our Easter Sunday worship service is set for 10:00 am on April 4th. Inside or outdoor worship? We do not know as of now, we will let God decide....

Under grace,
Pastor Jim Berry and the members of the Gilsum Congregational Church

Gilsum Food Bank

YES - You have made a difference!

Each one of you who has contributed in any way to the Gilsum Food Bank has definitely made a difference in the lives of our neighbors struggling with food insecurity. Since March of 2020 thousands of food and toiletry items have been donated along with more than $2000 in cash and checks used to purchase additional items as needed. In addition to the generous individual donations, the Food Bank has received support from Gilsum Congregational Church, Gilsum Historical Society, Gilsum Library Trustees, Gilsum Recreation Committee, and WS Badger Company.

What began as three tables of non-perishable food items has grown to a dozen tables with well over 100 different items. Every Saturday from 10 a.m. to noon, a small group of volunteers greets and assists customers at the Food Pantry located in the basement of the Gilsum Congregational Church. Over the summer, local gardeners brought fresh produce to share. When school began in September, the Food Bank provided backpacks filled with school supplies, hand sewn masks and snacks to students at the Gilsum Steam Academy who requested them.

During Thanksgiving and Christmas, food boxes filled with turkeys, hams, and a large assortment of side dish and dessert ingredients were distributed. In December two bags of warm hats, mittens, and gloves were donated by a resident whose employer sponsored a Hat and Mitten Drive. There are still many hats, mittens, and gloves in all sizes and colors available at the Church for anyone who wants them.

The Food Bank will continue to accept donations of food in the plastic bin outside the side door of the Church or in person on Saturday mornings as well as cash, checks, and/or grocery store gift cards in person or by mail to Gilsum Food Bank c/o Gilsum Congregational Church, P.O. Box 86, Gilsum NH 03448. If you need to contact the Food Bank, call 603-357-2245 and leave a message. One of the volunteers will call you back.

“I am only one. But still, I am one. I cannot do everything, but still I can do something. And because I cannot do everything, I will not refuse to do the something that I can do.”
